SUMMARY

Highly motivated and personable web developer and graphic artist. Earned B.A. in Arts and Technology from the University of Texas at Dallas. Driven by a genuine desire to learn and conquer challenges. Self-disciplined and self-motivated with efficient time-management skills. Highly adaptive and works well alone or in team settings.

EXPERIENCE

WEB DEVELOPER

Red Thread Brands, Frisco, TX / Jun 2019 - Present

- WordPress website maintenance, support, and design customization on client websites
- Internal website maintenance and coding using HTML, CSS and a combination of jQuery and JavaScript
- Design for web, social media ads, dynamic ads, and other deliverables when needed
- Hand-code or utilize open-source plugins and edit them as needed to add or create desired functionality

WEB DEVELOPER

SAGE, Addison, TX / Aug 2014 - Jun 2019

- Worked with marketing to create or update company websites/microsites, landing pages, web forms, emails and intranet
- Revamped all sites to make them responsive
- Coded and tested all emails including responsive monthly email newsletters
- Made sure code was cross-platform compatible

FRONT-END WEB DEVELOPER

Rocket Red, Dallas, TX / Aug 2013 - Aug 2014

- Customized WordPress sites, templates, plugins and landing pages
- Collaborated with creative team on best techniques for design layout based on responsive design and user experience
- Worked with WooCommerce platform within WordPress
- Ensured all websites and customizations were responsive and cross-browser compatible
- Made minimal edits to jQuery, JavaScript and PHP as needed

GRAPHIC ARTIST AND WEB DEVELOPER

Propaganda Marketing, Frisco, TX / Apr 2012 - Aug 2013

- Solely responsible for complete development of client websites from PSD or AI file
- Hand-coded HTML, HTML5 and CSS3 for client sites using Adobe Dreamweaver
